

United States of America
Department of Transportation — Federal Aviation Administration
Supplemental Type Certificate

Number SA1536NM

This certificate, issued to Univair Aircraft Corp.
Route 3, Box 59
Aurora, Colorado 80011

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations.

Original Product — Type Certificate Number: A-797

Make: Piper

Model: PA-14

Description of Type Design Change:

Installation of stamped aluminum wing ribs in accordance with Univair's "Application Chart Univair Replacement Rib Cross Reference to Piper Original Rib" FAA approved February 25, 1983 or subsequent FAA approved revision.

Limitations and Conditions:

This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those previously approved modifications will introduce no adverse effect upon the airworthiness of the aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: February 22, 1983

Date issued:

Date of issuance: February 25, 1983

Date amended:

By direction of the Administrator
